How to get the most from your visit

Our programme is designed to complement the syllabus taught in schools.

It provides an opportunity to see a Synagogue.

See, hear and taste **the living tradition of JUDAISM.**

Meet Jewish people and observe how the various items of Judaica are used and receive background "colour" from our speakers.

Our programme is intended to enhance what you have already taught your pupils in school.

As preparation for your pupils' visit it would be beneficial for them to have had the basics of Judaism explained so they have a better understanding when being addressed by our speakers.

**PLEASE NOTE THAT THE MINIMUM AGE FOR BOOKINGS IS
YEAR 4 8/9 YEARS.**

JUDAICA

Our Judaica Shop will be open for teachers and students to purchase items of Judaica and photographs of the Synagogue. Our Judaica shop will supply items throughout the year.
